DID YOU KNOW?

Made of **100% recycled ultra-microfiber**, the improved **Ultrasuede®** is the same supple, non-woven, luxury fabric you've always trusted. ...but now it's **earth-friendly** too! Pliable, stain resistant, machine washable, and spot cleanable. The exclusive technology used to produce Ultrasuede allows for its lightweight construction, easy cleaning and maintenance, and superior durability.

In addition to being lightweight and containing no animal products, its' inherent stain-resistance eliminates the need for potentially toxic products for long term care and makes Ultrasuede™ **safe for the environment**. Visit www.tapiscorp.com for more information.
