## Care & Cleaning Guidelines for Ultrasuede®, Grospoint, Geneve, Brussels & Silks

### Cleaning Instructions for Ultrasuede®

Ultrasuede® is a natural for use as aircraft upholstery. Along with its luxurious appearance, it is extremely durable and washable. The following information is designed to provide an easy and effective cleaning overview.

#### Basic Cleaning Instructions:

- Machine wash using delicate cycle
- Mild detergent without bluing agents are recommended (i.e. Woolite, Ivory, etc.). Do not bleach.
- Tumble dry, low temperature setting.

#### Cleaning of Stubborn or Heavily Soiled Material:

- Wash as above using liquid Tide. If possible, use Dow Stain Stick or Grease Relief prior to washing.

#### Instructions for Stain Removal:

- Most stains can be removed with detergents only. Some dry cleaning solvents can also be used.
- Recommended solvents are 1, 1, 1, Trichloroethane and Perchloroethane, contained in products like K2R, DiDi-7, and Miracle.
- For sticky stains or dirt, remove any free matter with knife or spoon. Pat the stained area with water and mild detergent. Remove detergent solution with a clean cloth and water.
- Dry on warm setting with a hair dryer or naturally in the air.
- For severe stains, such as automotive grease, use a mild solvent. Moisten a clean cloth with cleaning fluid. Pat the stained area until clean. Blot with a clean, dry cloth.

#### Cleaning Ballpoint Ink:

- Dissolve the ink by dabbing with an absorbent cotton cloth soaked in rubbing alcohol.
- Soak another clean cotton cloth in detergent and spread over the spoiled area. Rub vertically, horizontally and circularly.
- Crumple and rub with a cotton cloth soaked in warm water to clean off the detergent.
- Dab the soiled area with a cotton soaked in a solution of 8 parts ethanol diluted in 2 parts water.
- Wipe off the ethanol with warm water again. Repeat several times.

### Cleaning Instructions for Grospoint, Geneve, & Brussels

- Can be spot cleaned using dry cleaning solvent
- Should not come in contact with water.
- Can be treated with Scotchguard.

### Cleaning Instructions for Silks

- Spot clean or dry clean ONLY
