

Recommended Cleaning Instructions for Grospoint

Grospoint • Geneve • Brussels

Elevating the Passenger Experience

The Grospoint collection features materials that are 100% wool face, please note that these materials should **not** come in contact with water.

If stains occur:

- if a liquid is spilled, absorb all excess with a cloth or towel.
- spot clean with dry cleaning solvent.
- Avoid rubbing stains into the material.

To fully protect against stains, our Grospoint collection can be treated with Scotchgard.
